

“Cascade’s cutting-edge prepress equipment is the best. My proofs come out crisp and clear — with accurate color. They’re a pleasure to show to my clients.”

John Fosberg,
Fosberg Media Group

“I am extremely pleased with the high-level of attention and care Cascade gives each one of my projects — no matter how large or small.”

Budd Wagner,
Franciscan Health System

“Cascade always comes through for us on our packaging projects. All of the P.O.S. items they’ve created for us have enhanced sales.”

Nydia White,
Pascal Company

“I didn’t know where else to turn for this gotta-have-it-tomorrow specialty item — Cascade was there — and everything came out great!”

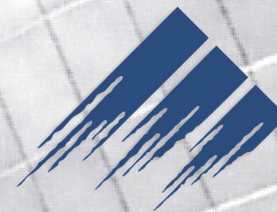

Steve Bader,
Tacoma Radiation

“The large-format displays Cascade created for us did the trick — our signs were finished on time, on budget and they looked fantastic!”

Scott Sabo,
LaborWorks

DIGITAL EXPERTISE

Cascade Print Media utilizes the leading digital equipment — along with our lightening-speed Internet connection — to provide you with high-quality proofs and digital imaging quickly and accurately.

We have our own dedicated and secure FTP (File Transfer Protocol) site for speedy transfer of even your largest projects. After reviewing and processing your files, we can turnaround either a PDF (Portable Document Format) online proof, or a digital color proof.

PACKAGING & P.O.S.

Corporations around the globe have called on Cascade Print Media to help them produce award-winning product packaging and P.O.S. (Point Of Sale) displays.

MARKETING SOLUTIONS

We combine our many years of experience and skill to produce a wide range of innovative marketing programs. From single and two color creations to four color process and beyond. We work hard to help you with each step of a marketing project — and strive to ensure its success.

SWEEPSTAKES

Cascade's expanded service now includes sweepstakes administration. We print and distribute collateral materials. Help with rules and legal copy. Receive, capture data, and store entries. Notify winners and fulfill prizes. We even issue rebate checks for refund programs.

LARGE-FORMAT PRINTING

Cascade isn't just about press printing. With our large-format digital imaging system, we can produce a variety of full-color mounted signs, posters, indoor and outdoor banners, and trade show displays at any size.

AD SPECIALTIES

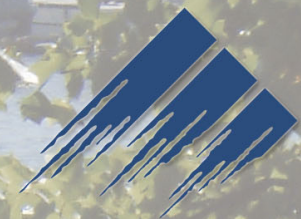

Whether it's a personalized desk tool, logo-embroidered clothing, or a custom printed label, Cascade Print Media can help you find the right advertising solution to stand head and shoulders above the rest — and get your product noticed!

FULFILLMENT

Cascade can help you with your product fulfillment needs. We'll maintain your printed inventory until you're ready to use it, ship on demand per your request, and then track your shipments to ensure timely delivery. We can also provide you with inventory reports using our in-house database system so you can easily track the levels of your material for intelligent planning and money-saving reprints.
